Those excluded are the superintendent, principals, administrative assistants, athletic director, nurse, corporation treasurer, technology director, speech pathologist, and substitutes.

3.2 **Grievant & Representation.** Nothing in this procedure shall affect the normal communications between the principal and the grievant in the discussion of problems which may exist. Any problem or potential problem will first be discussed by the grievant with the building principal in order to arrive at a mutually satisfactory solution to the complaint. At such meeting, the grievant may choose to be represented by the Association.

3.3 **Step One.**

A. In the event the problem is not resolved in the verbal discussions with the building principal, a formal written grievance, on forms supplied by the Association as signed by the grievant and the Association Representative for the school in which the grievant teaches, shall be filed within six (6) school days of the verbal discussion with the principal with copies of the grievance to be sent to the Superintendent of Schools and to the Association. The written grievance shall set out the section or sections of this agreement allegedly violated, misapplied or misinterpreted by the Employer and the facts constituting the grievance.

B. Within five (5) school days after receipt of the written grievance by the principal concerned, the aggrieved employee and his Association Representative shall confer at a mutually convenient time and place with the principal with a view to resolving the grievance. Within three (3) school days after such conference, the principal will communicate his decision in writing to the aggrieved employee with copies thereof to the Superintendent of Schools or his designated representative and to the Association.

3.4 **Step Two.** If the grievance is not yet resolved, the Association may request a meeting five (5) school days after receipt of the building principal's answer. The meeting will be attended by the Association representative, the grievant, and the Superintendent or his/her designated representative and held at a mutually convenient time and place.

Within five (5) school days after such meeting, the Superintendent or his/her representative(s) will give a written answer to the Association and the grievant.

3.5 **Step Three.** In the event the grievance is not resolved as set forth in section 3.4 above, it may be appealed within (20) twenty school days to the Board by filing a written notice with the Superintendent, stating the grounds for the appeal. The Committee may grant a maximum of one hundred eighty (180) days per applicant within a period of three (3) consecutive years. At no time may the Committee grant more days than currently available.

Such leave, if granted, shall be granted for one (1) semester or one (1) full school year as requested.

6.20 **Public Office Leave.** If an Employee is elected to public office, the Employee may be granted a leave of absence without pay for a period of time to ensure the Employee may serve the office to which he/she was elected. The Employee shall request the leave in writing to the Superintendent.

6.21 **Association Office Leave.** A leave of absence of up to three (3) years may be granted to any teacher, upon application, for the purpose of serving as an officer or staff member of the Association (Local, State, and National). Upon the Employee's return from such leave, the Employee shall be paid at the same salary as when they left in addition to any raises to which they earned prior to their absences as long as not categorized as ineffective or needs improvement.

6.22 **Unpaid Leave.** The Corporation may, at its discretion, approve unpaid leaves of up to one year. Approval will be on a case by case basis. Application for all such leaves shall be submitted to the Superintendent, who shall submit the request to the Board. The Corporation shall not make any contributions toward the premium costs of health insurance, vision insurance, dental insurance, life insurance, or long-term disability insurance for the period of an unpaid leave. Should a teacher wish to retain these insurance coverages during an unpaid leave, the teacher shall be responsible for making 100% of the premium payment.

ARTICLE VII RETIREMENT

7.1 **When an Employee Retires.** A teacher who is eligible to receive Indiana Teacher Retirement benefits and who has taught or administered for at least 15 years, of which the last ten (10) must have been served in the Frontier School Corporation immediately prior to termination of employment or qualifying for Long Term Disability benefits, and who actually terminates his/her employment (or begins receiving Long Term Disability benefits) with Frontier School Corporation will receive in the last month of tenure additional compensation on the following basis: Forty dollars (\$40.00) for each day of accumulated sick leave earned after September 1, 1969 not to exceed 200 days. This compensation shall be placed in the retiring employee's 401(a) Plan account by June 15 of the year of retirement. In the event a teacher is unable to give timely notice of retirement as required by this contract but is forced to retire as a result of ill health, accident, or other unforeseen event, the required Notice of Retirement shall be waived. In this event money may be paid in subsequent budget year when money is available provided it is not in conflict with any rule or regulation of the State Board of Accounts, and provided such is permissible under the terms and conditions of health insurance policy presently in effect. Any professional employee who elects to retire after reaching the age of 55 but before 65, or who retires because of disability and receives disability payments under the provisions of the Social Security Act, may continue to participate in

the health insurance program to age 65 provided the professional employee pays all of the premiums for such coverage. This person must submit to the superintendent's office and be accepted by the School Board no later than June 30 of the year preceding the end of the school year of retirement and presenting satisfactory evidence that he/she is retiring and does in fact retire.

7.2 401(a) & 403(b).

A. The Employer shall establish and maintain a qualified Section 401(a) Annuity Plan for all certified employees. The employer shall maintain a Section 403(b) Annuity Plan for all certified employees in compliance with the Frontier School Corporation (403(b) Plan Document. The 403(b) Plan shall include provisions for pre-tax salary reduction contributions by the employee which will be matched by the Employer in the 401(a) Plan on a dollar for dollar basis up to one and a half percent (1.5%) of the employee's Salary Schedule salary. The parties agree that all contributions made by the Employer to the 401(a) Plan on behalf of certified employees shall be counted against the new money available to fund teacher salary and benefit increases each year as part of contract negotiations for certified employees.

B. The Employer contributions for each employee shall be deposited into the 401(a) Plan and be maintained by the Employer. Such deposits will be made on a monthly basis.

C. School employees will have the option of continuing to invest their dollars in tax-deferred annuities for which money is already being deducted from the employee's salary or the tax-deferred annuity. Such contributions shall be counted by the Employer for purposes of the certified employee's required matching contributions.

D. The parties understand and agree that the actuarial calculations upon which these amounts are based were calculated, that the lump sums identified in the

Buy-Out Amount column in the actuarial calculations will be deposited by the Employer into the teacher's 401(a) Plan account, and that actuarial calculations are incorporated herein by reference.

E. Any contributions made by the Employer to the certified employees' 401(a) Plan accounts shall be subject to a vesting schedule. Employees with at least five (5) continuous completed years of service with the employer as of January 1, 2003, shall be one hundred percent (100%) vested in any contributions made by the Employer into a 401(a) Plan account on the certified employee's behalf. Any certified employee with less than five (5) continuous completed years of service as of January 1, 2003, will not have a vested interest in the contributions made by the Employer into the 401(a) Plan account on the employee's behalf until the employee has five (5) continuous completed years of service with the Employer.

F. For purposes of this section, "continuous completed years of service" refers to and is calculated by the number of consecutive regular or temporary teacher's contracts (no more than one contract per school year) executed by the employee. Authorized leaves of absences shall not be considered to be a break in continuous employment. However, a teacher on an authorized leave of absence for one school year or more will not receive "completed year of service" credit for vesting purposes under this section for the time the teacher is on the approved leave of absence. Current employees will receive credit for their continuous completed years of service as of January 1, 2003. A teacher who is not fully vested in the program and who voluntarily resigns or is terminated shall not retain any prior vesting rights if ever rehired by the Employer.

ARTICLE VIII DISCLAIMER

8.1 If any article or section of this agreement or any rider thereto shall be held invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any article or section should be restrained by such tribunal pending a final determination of its validity, the remainder of this contract and of any rider thereto, or the application of such article or section to persons or circumstances other than those as to which it has been held invalid or as to which compliance with or enforcement of has been restrained, shall not be affected thereby.

**ARTICLE IX SOLE UNDERSTANDING AND DURATION OF
AGREEMENT**

9.1 This contract shall become effective as of the 1st day of July, 2019 and shall continue in full force and effect until and including the 30th day of June, 2020 Appendix B, Article Four (4) Section Two (2), and Appendix A Section Two (2); and the 30th of June, 2021 for the remaining provisions.
